

Call for Abstracts

The Maine Water Environment Association's (MEWEA) Fall Convention is an annual two day conference packed with professional development and networking opportunities for all wastewater professions and anyone who has an interest in the environment and clean water. The MEWEA Professional Advancement Committee invites you to submit an abstract for the in-person event taking place September 19-20 at Sunday River Resort in Newry, Maine.

Deadline to submit: Wednesday, May 15th, 11:59 PM

All attendees, including public and private sector attendees and vendors, are encouraged to submit abstracts. Submissions can showcase a project, research, process, experience, expertise, management, or best practices related to the wastewater industry.

Accepted presentations will be presented in a 60 minute format (50 minutes with 10 minutes for questions).

Please submit abstracts to: MEWEAabstracts@gmail.com
