

## **Environmental Engineer, PE**

*Albany, NY*

Help to safeguard public health and protect the environment in New York by joining NEIWPCC as a Project Director. We're seeking a knowledgeable Environmental Engineer to oversee an administrative consent order to abate combined sewer overflows (CSO) within the New York City watershed.

### **What You'll Do**

As a NEIWPCC Environmental Engineer you will:

- Provide high-level program management of all obligations under the CSO Consent Order, identify potential problems with implementation and facilitate timely resolution in coordination with internal and external partners.
- Complete comprehensive technical reviews of and develop detailed comments on documents submitted under the CSO Order and prepare technical memoranda and presentations.
- Conduct site visits of active construction projects, attend and construction progress meetings to identify potential problems associated with project implementation, and prepare construction site inspections reports to document status of project construction.
- Supervise and provide guidance to a NEIWPCC Environmental Engineer working on the program.

### **What We Are Looking For**

The successful candidate will have a passion and interest in preserving and advancing water quality. We are seeking candidates with:

- A New York State Professional Engineer's license.
- Knowledge of wastewater collection system and treatment plant engineering design and operation practices.
- Knowledge of USEPA and NYSDEC wastewater, stormwater, and CSO rules and regulations and experience working with federal, state, or local water/wastewater agencies.
- A degree in environmental, civil, chemical, or mechanical engineering, or in a related field with ten years of experience in wastewater treatment plants or wastewater collection facilities design and construction with at least three years as a professional engineer.

### **Position Logistics**

This full-time NEIWPCC position will work 7.5 hours per day and is based in Albany, NY. Duties will be performed largely in an office setting with occasional travel to and from construction sites or meetings in New York City, for which a valid driver's license and access to own transportation are required. After six months, this position may be eligible for a hybrid work schedule, subject to approval and program needs.

### **What We Offer**

The anticipated annual salary range for this position is \$90,000-\$105,000. NEIWPCC offers an outstanding comprehensive benefits package for eligible employees.

- 75% premium coverage for employee and family PPO health plan with dental and vision.
- Yearly retirement contribution of 10% of annual base salary, regardless of employee contribution.
- 15 paid vacation and 15 paid sick days that rollover, as well as paid holidays and volunteer leave.
- Tuition reimbursement and professional development funding opportunities.
- Qualified employer for Public Service Loan Forgiveness (PSLF).

### **To Apply**
